#### NOTES FORMING PART OF FINANCIAL STATEMENTS

#### CORPORATE INFORMATION

ENCRAFT is a product brand of ENCRAFT India Pvt. Ltd. ("the Company"), the flagship company of the DCJ Group. The Company is engaged in Manufacturing of UPVC Doors & Window Profiles. Company is certified to and operate an Integrated Management System (IMS), covering ISO9001, ISO140001 and OHSAS180001 standards ensuring that all our operations meet international standards, covering design, manufacturing, supply and service. Taking into consideration quality, style, elegance and innovation, we strive hard to stand up to the expectations of our customers at all times.

#### 1. SIGNIFICANT ACCOUNTING POLICIES

#### a. Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2021 dated 23.6.2021 and the relevant provisions of the Companies Act, 2013. The company is a small and medium-sized company (SMC) as defined in Companies(Accounting Standards) Rules, 2021 notified Companies Act, 2013. Accordingly, the company has complied with the Accounting Standards as applicable to an SMC. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. There are no changes in any accounting policies during the year.

The Company follows mercantile system of accounting for accounting income and expenditure except stated below: Insurance claim House Tax, Ground Rent are accounted for as and when received/paid, since the amount can not be determined on mercantile basis.

The Company's Financial Statements are presented in Indian Rupees, which is also its functional currency and the values are rounded to the nearest lakhs (₹ 00,000), except when otherwise indicated.

#### b. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Estimates and underlying assumptions are reviewed at each Balance Sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

#### c. Revenue Recognition

#### i) Sales

Revenue from sale of goods is recognized:

- -When goods are supplied and all the significant risks and rewards of ownership are transferred to the buyer and the company retains no effective control of the goods transferred to a degree usually associated with ownership and
- No significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.
- -Sales are recorded net of Sales Return, rebates, trade discounts and GST. Job work receipts are recorded net of GST. Export Sales are recognised on issue of bill of lading.

## NOTES FORMING PART OF FINANCIAL STATEMENTS

#### d. Inventories

Finished Goods are valued at cost or net realizable value, whichever is lower and cost includes cost of conversion and other costs incurred in bringing the inventories to the present location and condition except:

- i) Raw Materials valued at cost on FIFO Basis.
- ii) Wastage valued at net realisable value.

Cost of raw material, packing material, stores and spares, trading and other products are determined on first in first out basis, which includes purchase price, freight, duties, taxes & other incidental expenses but net of GST.

#### e. Fixed Assets and Depreciation / Amortization

#### i) Tangible Assets

Tangible assets are stated at cost net of recoverable taxes, trade discount and rebates including inward freight, duties, taxes and incidental expenses related to acquisition net of GST, less accumulated depreciation and impairment loss, if any.

#### ii) Capital Work in Progress

Projects under which assets are not ready for their intended use are disclosed under capital work in progress.

#### iii) Intangible Assets

Intangible Assets (Computer software) are stated at their cost of acquisition, less accumulated amortization and impairment loss thereon. An intangible asset is recognized where it is probable that future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured.

#### iv) Expenditure incurred during construction period

In respect of new/major expansion, the indirect expenditure incurred during implementation period up to the date of commencement of commercial production, which is attributable to the construction of the project, is capitalized on various categories of fixed assets on proportionate basis. The unallocated expenses are shown in pre-operative expenses.

#### v) Depreciation

Depreciation on Fixed Assets is provided on straight line method as per New Companies Act '2013 . The company has applied the estimated useful lives as specified in Schedule II. Accordingly the unamortised carrying value is being depreciated on Straight Line basis over the remaining useful lives of the assets. The written down value of Fixed Assets whose lives have expired as at 1st April 2014 have been adjusted, in the retained earnings.

Estimated useful lives of the assets is as given below:

| Asset                                  | Useful Life |
|--|-------------|
| Buildings (including roads)            | 10-60 years |
| Plant and machinery                    | 5-25 years  |
| Furniture and fixtures                 | 10 years    |
| Computers and data processing units    | 3-6 years   |
| Electrical installations and equipment | 10 years    |
| Vehicles                               | 8 years     |
| Office equipments                      | 5 years     |

#### f. Impairment of Assets

i) The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's set selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

ii) After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

#### NOTES FORMING PART OF FINANCIAL STATEMENTS

#### g. Employee Benefits

#### i) Short term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as Short term employee benefits. Benefits such as salaries, wages, and bonus etc are recognized in the Profit and Loss Account in the period in which the employee renders the related service.

#### ii) Long term employee benefits:

#### 1) Defined contribution plans:

The Contributions for Provident Funds & E.S.I.C. are deposited with the appropriate government authorities and are recognized in the Profit & Loss Account in the financial year to which they relate and there is no further obligation in this regard.

#### 2) Defined Benefit Plans:

The Company provides for retirement benefits in the form of Gratuity. The Company's gratuity plan is a defined benefit plan. The present value of gratuity obligation under such defined plan is determined based on an actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under the defined benefit plans, is based on the market yields on Government securities as at the valuation date having maturity periods approximating to the terms of the related obligations. Actuarial gains and losses are recognized immediately in the Profit and Loss Account.

#### 3) Other long term employee benefits

Benefits under the Company's leave encashment scheme constitute other employee benefits. The liability in respect of leave encashment is provided on the basis of an actuarial valuation done by an independent actuary at the year end. Actuarial gain and losses are recognized immediately in the Profit and Loss Account.

#### h. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. On initial recognition all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage fee and duties. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline, other than temporary, in the value of the investments.

#### i. Foreign Currency Transactions

i) Foreign currency transactions are re-started at the rates prevailing at the time of receipt/payment thereof and all exchanges losses/gain arising there from adjusted to the respective accounts. However Foreign Currency transaction payment for which were not received/made till the balance sheet date, are recorded in the books at the rate of exchanges prevailing on the date of such transaction and any exchange difference is being recorded as profit or loss from change in foreign exchange rates in profit & ii) Monetary assets and liabilities related to foreign currency transactions remain unsettled are translated at year end rates and the exchange differences recorded as unrealized foreign exchange gain/loss in profit & loss account.

## j. Leases

70,0KHLA INDUSTRIAL ESTATE, PHASE-III, NEW DELHI-110020 CIN-U25200DL2013PTC247629

#### NOTES FORMING PART OF FINANCIAL STATEMENTS

ii) Deferred Income Tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred Tax is measured based on the tax rates and the tax law enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that sufficient future taxable income will be available against which these assets can be realized in future where as in cases of existence of carry forward of losses or unabsorbed depreciation, deferred tax assets are recognized only if there is virtual certainty of realization backed by convincing evidence. Deferred tax assets are reviewed at each balance sheet date.

(iii) The Company has adopted section 115BAA of the Income Tax Act, 1961 inserted by Finance Act, 2020.

#### I. Provisions & Contingent Liabilities

- i) Provisions are recognized when the Company has a present obligation as a result of past events and it is more likely that an outflow of resources will be required to settle the obligations and the amount has been reliably estimated. Such provisions are not discounted to their present value and are determined based on the management's estimation of the obligation required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect management's current estimates.
- ii) Disclosure for a contingent liability is made where it is more likely than not that a present obligation or possible obligation may result in or involve an outflow of resources. When no present or possible obligation exists and the possibility of an outflow of resources is remote, no disclosure is made.

#### m. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition or construction of qualifying asset are capitalised. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

#### n. Segment Reporting

The Company determines its business & geographical segments based on the risks & returns associated with the nature of its products and the geographical areas in which it operates.
